Arrival

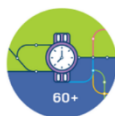

For public transport, see: <https://www.sofiatraffic.bg/>

30 Plus Ticket

One ticket valid for 30+ min costs 1.6 BGN

60 Plus Ticket

One ticket valid for 60+ min costs 2.2 BGN.

Both type of tickets can be loaded in plastic card [Sofia City Card](#) (price of 3 BGN) or paper [Ultralight](#) (price of 0.8 BGN) and can be purchased at the points of sale of "Sofia Urban Mobility Centre" EAD, as well as at all metro ticket offices. They are valid for transfers within the mentioned time limit.

Tickets can be bought from the driver at the cost of 2 BGN, valid only for the particular vehicle and do not give the right to transfers.

You can purchase a ticket using your bank card by validating it on the blue devices in the vehicles of the public transport. After validating a 30 plus ticket more than twice, it becomes a daily card at a price of 4 BGN for the entire public transport network.

The term of the card for 24 hours begins from the moment of purchase. It can be purchased for a future date, in which case its term begins at 00:00 on the selected date and is valid until 23:59 on the same date. The cost is 15 BGN and can be loaded into Sofia City Card and Ultralight.
